

IPICO Chip Timing

1. Thread tie through laces.
2. Curl tie ends through eyeholes of timing chip.
3. Secure timing chip by twisting bread tie or properly fastening zip tie.
4. Lightly pull on chip to ensure it is *securely fastened* to shoe.
5. Return chip at the conclusion of the race.

**COACHES PLEASE ENSURE ALL OF YOUR ATHLETES
ARE WEARING A TIMING CHIP ON THEIR SHOE
AND THAT IT IS SECURELY FASTENED.**
